EDUCATION

Creighton University – Heider College of Business

Bachelor of Science in Business Administration; FinTech and Business Intelligence and Analytics (Minor in Data Science)

Omaha, NE

Class of 2027

- Next Generation Leader, Student Support Services, Creighton Investment Banking Society

WORK EXPERIENCE

Wells Fargo

Data & Analytics Intern – Commercial & Corporate Investment Banking

Irving, TX

May 2026 – Present

- Built Python-based automation scripts to process and validate portfolio data, improving the efficiency of executive reporting across multi-billion-dollar commercial lending and deposit portfolios
- Designed and deployed Power BI dashboards and Microsoft Power Apps from scratch, delivering reporting solutions adopted by hundreds of employees across Commercial & Corporate Investment Banking
- Engineered automated reporting pipelines by querying and transforming enterprise Teradata data with SQL, improving the accuracy, consistency, and timeliness of financial reporting
- Partnered with business leaders and cross-functional stakeholders to gather requirements, design analytics solutions, and enhance executive reporting capabilities

Union Pacific

Finance Intern – Fuel Accounting

Omaha, NE

May 2024 – May 2026

- Analyzed and reconciled high-volume fuel usage and lending transactions using SQL and Excel, ensuring accurate internal and external reporting
- Played a key role in finalizing a multi-year fuel settlement with a major railroad partner, securing nearly \$10M in recovered receivables
- Produced internal financial reports and dashboards used in leadership decision-making and capital planning
- Designed and implemented an interactive Tableau dashboard to automate monthly fuel reporting, eliminating a previous manual Excel process and reducing reporting time
- Collaborated directly with senior leadership on a high-value Amtrak contract projected to yield \$3M+ annually in incentive-based revenue

Immanuel Communities

Finance Intern

Omaha, NE

June 2022 – May 2023

- Collaborated with the real estate team to assess the viability of acquiring an existing senior living community by modeling cash flows, forecasting operating costs, and comparing build vs buy scenarios
- Conducted variance analysis on quarterly P&L statements and proposed cost-saving measures that improved financial efficiency across all buildings
- Assisted in preparing board-level financial presentations by compiling KPI's and budget insights to support executive decision-making

LEADERSHIP

Creighton Muslim Student Association

Treasurer

Omaha, NE

January 2025 – Present

- Applied for and secured a \$5K grant to fund educational and community events promoting interfaith engagement and cultural understanding
- Manage the organization's annual budget, overseeing allocation of funds for events, speaker fees, and charitable initiatives while ensuring compliance with university finance policies
- Lead sponsorship fundraising efforts, collaborating with campus partners to expand financial support and visibility
